'How Leaders Can Motivate Others by Creating Meaning'

May 24th, 2020 - This free online creating meaning for employees course features Janice Fraser, the CEO and co-founder of Adaptive Path, an experience design consultancy firm based in San Francisco, California, and Austin, Texas. In this course, she talks in detail about how important the culture of a business is for its success.

May 13th, 2020 - Meaning is proven to unlock the deepest level of engagement as well as the peak performance that goes with it. This course teaches leaders how to motivate their teams by creating meaning. The expanding role of design in creating an end to end experience is taught. Customer experience requires the broad involvement of stakeholders across the organization and beyond. They will have expertise in fields such as design, research, anthropology, and business and spheres of influence such as product development, marketing, or finance.

May 22nd, 2020 - Designing a convergent end to end customer experience requires the broad involvement of stakeholders across the organization and beyond. They will have expertise in fields such as design, research, anthropology, and business and spheres of influence such as product development, marketing, or finance.

May 21st, 2020 - The Design Will Change Over Time And Learning How To Do It Is A Team Life Skill. The Basic Message Is That If You Want People To Assume Responsibility For The Work Process You Have To Involve Them In The Work Redesign Process Itself.

Design For Life Creating Meaning In A Distracted World

What Is Creativity And Why Is It A Crucial Factor For

May 26th, 2020 - Creativity is the act of turning new and imaginative ideas into reality. Creativity is characterised by the ability to perceive the world in new ways, to find hidden patterns, to make connections between seemingly unrelated phenomena, and to generate solutions. Creativity involves two processes: thinking and then producing.

Chip Kidd: The Art of First Impressions in Design

May 25th, 2020 - Book designer Chip Kidd knows all too well how often we judge things by first appearances. In this hilarious fast-paced talk, he explains the two techniques designers use to communicate instantly clarity and mystery—when, why, and how they work. He celebrates beautiful, useful pieces of design, skewers less successful work, and shares the thinking behind some of his own iconic books.

Car as Art Kodo Soul of Motion Design Inside Mazda

May 16th, 2020 - To sum up what we mean by Kodo design, it's about creating cars that embody the dynamic beauty of life. Cars that visually suggest different expressions of this energy in Japan, we feel that craftsmen inject life into what they make. So, objects that receive the love and caring attention of these craftsmen have a vital force, a soul.

The Question of the Meaning of Life

April 23rd, 2020 - The question of the meaning of life is perhaps one that we would rather not ask for fear of the answer or lack thereof. Still, today, many people believe that we, humankind, are the creation of a.
